Description:

The Kenneth McQuaid Property is a 1½-story, 3-bay side-gable cottage on the west side of Old Gunpowder Road in the Calverton area, Prince George's County. According to neighbors, the building was constructed circa 1945, and it has a rear gable addition and a rear enclosed entry porch.

The structure has an asphalt shingle, side-gable roof with a full-width shed dormer on the rear elevation. There is an exterior concrete block chimney on the north elevation. The house is of wood-frame construction with vinyl siding and it has a concrete block foundation. The windows are 1/1 double-hung aluminum with one exception, a picture window with double-hung windows on each side, located on the front elevation. The windows on the front elevation have applied muntins. The front entry is a wood door with an aluminum awning and concrete steps. The rear gable addition projects slightly higher than one story, concealing part of the shed-roof dormer.

There is one outbuilding associated with this property, an asphalt shingle, gambrel-roof shed. Constructed circa 1990, it is of wood-frame construction. The shed is located west of the house.

The property is located on the west side of Old Gunpowder Road with residences to the north, woods to the south, and a field to the west. The site is level and there are a few trees on the property. The property's setting is a rural area along a single-lane road that has become a major traffic route.
